

GRADE 10 RETRIEVAL GUIDE 2018

General Rules

- All textbooks must be handed in on the dates listed below (e.g. on the last date on which you write the subject for which you require the textbook.)
- **All** textbooks, calculators and mathematical sets together with any other study guides, must be returned by the last date of your final exam, **Wednesday 28 November 2018**.
- Please confirm with the Librarian that all your textbooks have been returned and your name cleared before leaving on holiday.
- Please assist us by returning textbooks **on time**. Your textbook has to be ready for the next gr10 learners on the first day of school 2018 and may have to be processed.
- If an item is **LOST** or damaged: **R250** per item is to be paid to the Accounts office. The receipt must stipulate for which book you are paying. You must bring this **receipt** to the Media Centre and the Librarian will clear your name. Should the book be returned by another learner, you will be refunded.
- **Please note:** the **Deposit** paid in gr8 **cannot** be used in payment of a lost item. The Deposit is only returned at the end of gr12, if all books have been returned in good condition every year and the lost items paid for. The deposit is only returned under these conditions, when the gr12 results become available.
